

## PRICE OF SILK TO ADVANCE SOON, SAYS ASSOCIATION

Supply Rapidly Decreasing—It Will  
Cost \$50,000,000 to Dress  
Women in Coming Year.

ATLANTIC CITY, N. J., Dec. 4.—Prices of silks are soon to be advanced, according to announcement made here to-day by manufacturers appearing before the Associated Dress Industries of America, in annual convention at the Breakers. Speakers asserted that they are under contract to mill capacity, while the supply of raw silk was rapidly decreasing. They found that Japan, which supplied much of the raw silk, had labor problems identical with those of this country.

Resolutions were adopted denouncing Bolshevism and pledging the organization against such agitators. The cost of dressing women in America and in supplying raw material for the women in other countries by American factories would represent a turnover during the coming year of \$50,000,000 in the judgment of David Mesasohn, executive director of the association.

The convention adopted a resolution appealing to "God and humanity" against the massacre of Jews in Ukraine and asking the State Department to use its influence in protecting the survivors.

## NAMES OF ELIGIBLE WOMEN ORDERED ON KINGS JURY LIST

Justice Scudder Grants Application  
of Woman Lawyer—Previous De-  
mand Ignored by Officials.

On the application of Miss Julia V. Grillo, a lawyer of No. 278 Fulton Street,

Brooklyn, Supreme Court Justice Scudder signed an order yesterday requiring Commissioner of Jurors Jacob Brenner and the County Board of Assessors to "complete" the Kings County jury list by adding to it the names of all women who are qualified to serve as jurors. Miss Grillo said in an affidavit that she had demanded that the names of all eligible women be included in the list, along with those of the men qualified to serve, but that her demand had been ignored. She had the right to make the demand, she declared, under Section 632 of the Judiciary Law. The list, as it stands now, Miss Grillo alleged, is "inadequate, incomplete, insufficient and illegal." The order to show cause was made returnable on Dec. 9.
